

REMARKS

After issuance of the Notice of Allowance, it was noticed that claim 12 recited "composed primarily of", while that language was changed to "consisting essentially of" in claims 13-15 in response to an issue raised by the Examiner with respect to claims 13-15. Since it appeared that the issue raised by the Examiner with respect to claims 13-15 might also be considered to apply to claim 12 (claims 12-15 all depend from claim 1, which recites "consisting essentially of" language), and since it appeared that this issue was overlooked with respect to claim 12, Applicants have amended claim 12 as set forth above for purposes of consistency with previously amended claims 13-15.

Entry and consideration of this Amendment are respectfully requested.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.
